Good evening, allow me to introduce myself. My name is Fritz Rupp. I was born in Bonn on 20 July 1962. I now live in Götting. Right now I stay at my aunt's house. Now allow me to introduce myself further. I like things that are a bit different, and small things like reading, watching, and sport. My free time is spent by doing nothing. Tell me now about me and my family. I am the first child in my family. I have a little sister, and she is high school student. My father is a Police which is named Edgar Rupp. While my mother is a house wife. I love my family more than anything. What about you?
